

Problem with your energy or water company?

LET'S TALK.

We help residential and small business customers across Queensland fix issues with their electricity, gas or water providers, including:

- high bills and disputed accounts
- payment arrangements
- rebates and concessions
- disconnections
- default listings
- poor customer service and marketing practices

**Visit www.ewoq.com.au
or call us on 1800 662 837**

Our service is free,

fair and independent
